

AP Physics End of Year Video Questions

Name: _____

Record a video with your answers to the following questions. More than one person can be in each video, but each person needs to answer each question. Type up your answers and submit them along with your video.

1. How did the year go for you?
2. What were positives parts of class?
3. What would you do the same if you took the class again?
4. What would you do differently if you took the class again?
5. What are my strengths as a teacher?
6. What could I do to be a better teacher?
7. What message would you like to pass along to next year's class?
8. Any thing else you would like to share?
9. What did we do that helped you prepare for the exam?
10. What could we have done differently?
11. Anything else you would like to add?
